A GRAND OPENING!

LAS COLINAS' NEWEST HOT SPOT IS OPEN FOR BUSINESS

The Valencia Hotel Group celebrated its newest edition in its collection of hotels with a Grand Opening for Texican Court – and it may go down as the BURBNews' party of the year - and it's only May!

The event kicked off with Julia Hatfield rocking the stage and ended with Mike Webb and the Swindlers and Jack Ingram bringing everyone to their feet. And while guests enjoyed the show, they sampled delicious dishes prepared fresh off the Two Mules Cantina menu, and crowded around tables filled with every kind of cocktail (and soft drinks) you can imagine, while others waited for complimentary hand-rolled cigars.

The event also provided an up-close

opportunity for attendees to check out the property's unique features, from three distinct courtyards with large wood-burning fire pits, to relaxing at the exclusive tequila bar just off the main entrance.

The Texican is conveniently located across from the Irving Convention Center and Toyota Music Factory, which makes it a great place to staycation - a great place to stay, have a meal and cocktails and walk across the street for a show, without leaving town! This unique concept sets it apart from other hotels in the city by creating an authentic Texan experience in the heart of DFW that is attracting business and leisure travelers alike.
